Dear Vernetta, Charlie and Javiera,

Please see two attachments prior to the work session.

First is Chief Davis' memo to Tom Bonfield.

Second is a statement I have written and will introduce today during the Announcements section of the work session. I have labored long and hard over it and I hope it meets your approval. My plan is to introduce it at the work session and put it on the agenda for council approval on April 16. I am sure the public will want to discuss it then.

Thanks to all of you for your one-on-one discussions this past week.

Best wishes,
Steve--

Thanks for this Steve, and I support both documents. We'll see how this all goes over at the work session.
